

Insite Pacific Inc.

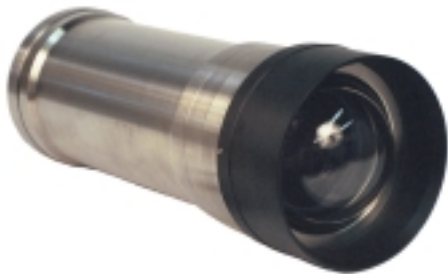

Underwater Cameras

Zeus Plus

- ❑ High Definition (HDTV) Color Zoom 3-CCD camera
- ❑ 1,000 lines horizontal resolution producing extremely high image quality
- ❑ 3,000m or 6,000m titanium pressure housing
- ❑ A glass hemispherical viewport with proprietary corrected optics virtually eliminates geometric and chromatic distortion
- ❑ 10:1 super wide angle zoom lens, approximately 93 degree diagonal angle of view
- ❑ Optional: SDI and Fiber Optic Output

Atlas

- ❑ A professional (850 HTVL) broadcast quality 3-CCD color zoom camera
- ❑ Multiple component, RGB, Y/C, and Composite video signal outputs
- ❑ 14:1 super wide angle zoom lens, 72 degree diagonal angle of view
- ❑ 3,000m or 6,000m titanium pressure housing or 1,000m aluminium housing
- ❑ A glass hemispherical viewport with proprietary corrected optics virtually eliminates geometric and chromatic distortion

Gemini

- ❑ Extremely Low light, Silicone Intensifier Target (SIT) monochrome camera
- ❑ High resolution, long range viewing in turbid or low light conditions
- ❑ 3,000m or 6,000m titanium pressure housing
- ❑ Glass hemispherical or plano concave viewport

Mercury

- ❑ Low light, high resolution, monochrome CCD underwater TV camera
- ❑ 3,000m or 6,000m titanium pressure housing

Pegasus

- ❑ Color camera with 18:1 zoom lens
- ❑ Composite or S-VHS (Y/C) output
- ❑ 3,000m or 6,000m titanium pressure housing
- ❑ Optional super wide zoom, 90° diagonal angle of view

Aurora

- Low cost, compact, high resolution, color CCD camera
- Fixed focus, wide angle lens
- 4,000m or 6,000m titanium housing

Apollo

- Low cost, high resolution, monochrome CCD camera
- Compact size
- Fixed focus, wide angle lens
- 3,000m hard anodized aluminium pressure housing
- Optional 5,000 ft. video long line amplifier

Mini-Probe

- Extremely compact monochrome CCD camera
- 3,000m titanium housing
- Fixed focus, wide angle lens
- Ideal for diver helmet mount or ROV manipulators

IT-1000

- Monochrome, low light CCD camera
- Fixed focus, wide angle lens
- 4,000m or 6,000m titanium housing
- Small size

Scorpio Plus

- Professional digital still / tv camera
- 4X Optical Zoom
- 3.34 Megapixel
- 1GB Micro Drive
- 3,000m or 6,000m titanium pressure housing

Nova

- ❑ Miniature Color CCD Video Camera
- ❑ Integral LED Light Ring Included within a Compact Housing
- ❑ High Resolution Color CCD sensor — Excellent Quality Video
- ❑ Miniature Color CCD Video Camera
- ❑ Outstanding Picture Quality and Performance
- ❑ Ideal for Down-hole Video & Remote Tooling Applications

Titan

- ❑ Color Zoom Camera
- ❑ Continuous Horizontal Rotation, 180 degrees Tilt
- ❑ 480-line color images in light as low as 1 lux and when selected using the System Controller High Resolution (570-line)
- ❑ B/W images in extremely low light of 0.06 lux.
- ❑ 22X Optical Zoom Lens plus 10X Digital Zoom provides a total zoom capacity of 220X.
- ❑ Glass hemispherical viewport provides excellent video quality.
- ❑ Available in a 3,000m or 7,000m titanium pressure housing.
- ❑ Using the System Controller and built in joystick positioner, the operator maintains complete remote control of the camera lens, tilt, rotate, and many other functions.
